Push Off Buck Rake

The Redrock push off Buck Rake is designed for today's agricultural environment.. It is fitted with forged 1500mm 45mm round tines for an increased service life.

All Buck Rakes are fitted with twin, double acting heavy duty hydraulic cylinders for maximum breakout power and speed. All pivot points are bushed and fitted with grease nipples fro minimum maintenance and maximum service life. The hinged flap goes to the end of tines ensuring complete discharge of load , creating less waste, wasting less time.

Specifications:

| Model | Width | Push off Method |
|---------|-------------|-----------------|
| 12 Tine | 2336mm/7'8" | Hydraulic |
| 13 Tine | 2641mm/8'6" | Hydraulic |

13 Tine Buck Rake

Double acting hydraulic cylinders

45mm Round Tines

Grass Forks

Fitted with forged 1500mm 45mm round tines the Grass Forks are designed for today's agricultural environment.

Two sizes are available, the 9'3" Grass Fork for the farmer and the hydraulic folding 12' Grass Fork for the contractor who needs larger capacity.

All pivot points are bushed and are fitted with grease points to allow ease of servicing and increased working life. Both sizes come with side tines as standard.
